The Complete Range

No matter what your lifestyle or journey, our affordable range of driver options has been designed to protect you and your car, and enhance your driving experience.

Paint Surface Coating
A high performing formula combining Silicon Carbide (SiC) ceramic and Silica Dioxide (SiO2), delivering extreme durability, hardness and a permanent super gloss finish.

- **Mirror-finish super gloss**: The Silicon Carbide (SiC) base gives the highest gloss and hydrophobic properties to help repel anything that gets thrown at it
- **Durability tested to last a lifetime**: The most durable protective product on the market, 4 times harder than quartz based protectors
- **Proven and globally certified**: Tested, proven and globally certified to the stringent standards set out for Boeing compatible products

Interior Surface Protection
- **Leather Preserver**: Offers a high grade lanolin formula that provides deep down moisturising protection to soften and preserve the leather
- **Vinyl Conditioner**: Provides protection against cracking and discolouration caused by the harmful effects of UV rays
- **Fabric and Carpet Protection**: Provides a resilient and effective stain barrier against commonly consumed food and drink spills, creating an easy-to-clean surface

Darkest Legal Window Film
As well as stylish looks, enjoy protection against **up to 99% of the damaging UV rays** and rejection of as much as **60% of uncomfortable solar heat**.

This darkest legal film delivers maximum protection, outstanding glare reduction, exceptional heat & UV rejection and of course ultimate privacy. And, it offers the added safety feature of holding glass together in the event of an accident.

Plus it comes with a lifetime warranty* for added peace of mind.

Vehicle Drive Recorder
An essential dash cam that helps avoid collisions, give lane departure warnings and has a parking monitoring mode. It’s the perfect witness to help provide evidence in the event of an accident.

Available as front or dual (front and rear) configuration, this product is the most discreet and feature packed camera on the market, delivering HD quality filming that accurately records vehicle licence plates as well as the entire drive. Plus, the dedicated App means accessing and replaying footage is available at the click of a button.

Driver Safety Kit
The perfect solution to help keep you and your passengers safe when you’re on the road. The **Driver Safety Kit contains all the items you will require to assist with any unforeseen events during your travels**. Housed in a heavy duty carry bag, this kit includes:

1. First Aid Kit
2. Fire Extinguisher
3. Car Power Bank and Charger
4. Roadside Electronic Flare Kit
5. Hi-Vis Vest
6. Cotton Gloves
7. Poncho
8. Microfibre Cloth

This compact kit is always ready to help out when you most need it.

*Lifetime warranty terms, conditions and exclusions apply.*

HYDRO ACTIV Surface Coatings are a once-off application for a lifetime of protection. This means you can spend less time cleaning your vehicle and more time doing the things you love.

*Lifetime warranty terms, conditions and exclusions apply.*
Exterior Surface Protection

HYDRO Paint Surface Coating.

HYDRO exterior surface coating is engineered for durability and protection, creating a barrier against UV damage and staining from the elements. This coating helps to retain a high gloss finish of your paintwork and contains self-cleaning properties, meaning your vehicle stays looking cleaner for longer, allowing you more time to do the things you love!

A once-off application, for a lifetime of protection, to preserve and protect the paintwork, as well as the re-sale value of your vehicle.

Key Features

Made from a high performing formula combining Silicon Carbide (SiC) ceramic and Silica Dioxide (SiO2), delivering extreme durability, hardness and a permanent super gloss finish.

As the most durable protective product on the market, HYDRO Paint Surface Coating is 4 times harder than quartz based protectors. Tested, proven and globally certified to the stringent standards set out for Boeing compatible products.

Benefits

• The key components deliver extreme durability, hardness and a super gloss finish.
• Incredible repellence to water, sheeting and rolling off the surface taking dirt and grime with it, and reducing calcified water marks and spotting.
• Significantly reduces maintenance, looking cleaner for longer.
• Protects your paint against the damage caused by bird and bat droppings, as well as damage caused by:
  » sunscreen
  » fallen leaves
  » bore water
  » bug splatter
  » tree sap
  » rail dust
  » weather induced oxidisation
• The once-off application adds permanent protection, eliminating the need to wax and polish.
• Helps preserve your vehicle’s re-sale value.
• Comes with a nationwide lifetime warranty*.

Extra Thickness. Enhanced Protection.

HYDRO adds an extra, tougher layer on top of the vehicle’s factory clear coat.

Once applied, this permanent coating creates a hydrophobic surface so water sheets off, taking dirt and other contaminants with it.

*Lifetime warranty terms, conditions and exclusions apply.
Interior Surface Protection
ACTIV Leather, Vinyl, Fabric & Carpet Surface Coating.

ACTIV Interior Coatings protect all fabric, carpet, vinyl and leather surfaces against spills and stains, as well as UV damage and discolouration. These coatings are designed to help maintain the condition of your vehicle and provide a durable barrier against whatever life throws at it.

A once-off application for a lifetime* of protection, designed to preserve and protect the interior of your new vehicle.

ACTIV Leather Coating
The lanolin formula offers deep down moisturising protection to soften and preserve the natural beauty of a leather interior.
- Protects against surface dehydration and discolouration caused by UV
- Provides an easy clean surface to remove stains and marks
- Preserves the new leather aroma
- Comes with a nationwide lifetime warranty*

ACTIV Fabric and Carpet Coating
Formulated with the bacterial protection system Bactishield, this coating will protect the surface against mould, mildew and other harmful bacteria.
- Provides a resilient and effective stain barrier against commonly consumed food and liquids
- Provides protection against surface discolouration caused by UV
- Comes with a nationwide lifetime warranty*

ACTIV Vinyl Coating
Purpose built for vinyl surfaces, this silicon-free formula that provides a low-sheen, non-greasy, non-slick protective finish.
- Prevents surface dehydration and damage caused by UV
- UV stabilised against discolouration
- Comes with a nationwide lifetime warranty*

*Lifetime warranty terms, conditions and exclusions apply.
Darkest Legal Window Film
Maximum protection and stylish looks.

You and your passengers will be protected from damaging rays, blocking up to 99% of UV entering through the windows. It delivers maximum protection, outstanding glare reduction, exceptional heat rejection and of course ultimate privacy.

It’s the darkest automotive window film and is guaranteed to perform for a lifetime*.

Our Darkest Legal Window Film starts working the minute it has been applied to your vehicle. This film offers maximum UV protection, and dramatically reduces heat and glare.

One of the other important benefits of window film is its ability to hold shattered glass together in the event of an accident.

Key Benefits
• Darkest legal window film.
• Blocks up to 99% of damaging UV.
• Rejects up to 60% of heat and glare.
• Strengthens glass, helping to hold together in the event of an accident.
• Adds a stylish look.
• Increases privacy for you and your passengers.
• Lifetime nationwide warranty*.
• Increased safety and security for occupants.
• Clear film is available for vehicles that are manufactured with privacy glass.

This film has also been independently tested by ARPANSA: Australian Radiation Protection and Nuclear Safety Agency and has been certified to effectively protect against solar ultraviolet radiation.

*Lifetime warranty terms, conditions and exclusions apply.
Vehicle Drive Recorder
Helps avoid collisions and promote safe driving.

This product is the most discreet and feature packed camera on the market. An essential dash cam that helps avoid collisions, gives lane departure warnings and has a parking monitoring mode. HD quality filming accurately records vehicle licence plates as well as the entire drive. Available as front or dual (front and rear) configuration.

Key Features
- Built in GPS and WiFi.
- Dedicated App (available via iOS and Android) for reviewing captured footage.
- Advanced audible forward collision and lane departure warning systems.
- Auto voltage cut-off prevents car battery drainage.
- Whilst parked, the device automatically records images when motion is detected.
- Available as front or dual (front and rear) configuration.
- Professionally installed by a trained technician.

Benefits
- Helps provide evidence in the event of an accident.
- Records both audio and visual footage.
- Records damage even while the car is parked.
- Footage can be replayed immediately via the App.
- Helps safer driving with in-built audible warning systems.
- Helps to report bad drivers, hoons and illegal activity.

*Lifetime warranty terms, conditions and exclusions apply.*
